NTC Communication 2015/01 **Revised pass mark for Novice sections**

Dear members,

This note serves to confirm that the NTC at a meeting held on the 14th March 2015 decided to propose to the council a revised pass mark for the Novice ladies and Novice Men's free skating required score. This was duly proposed to the council and an electronic vote was concluded.

The revised pass mark was approved by the council as follows:

Novice Ladies: Free Program technical score reduced to 13.00

Novice Men: Free program technical score reduced to 14.5

The short program required pass mark remains unchanged. The international minimum mark also remains unchanged. The revised pass mark is backdated to the 1st July 2014 for all tests and competitions after this date.

Kind Regards
