Dear All,

NTC Official Announcement 2011/08

The following proposal by the NTC has been approved by the SAFSA council with immediate effect:

1. New Synchronised Skating Pass marks for Star Tests

AS per the changes to the pass mark for solo skaters, only the **TECHNICAL** score will determine a pass or a retry for synchronised skating teams. This is in line with the ISU applying automatic entry to competitions based only on the technical score. These scores were determined based on the new required, elements, the rule changes, as well as the new Scale of values from the ISU.

Below please find the new pass marks for Novice, Junior and Senior Teams.

Novice FS	10.4
Junior SP	7.4
Junior FS	15.7
Senior SP	8.6
Senior FS	17.7

Kind regards

Mr Etienne Dreyer
Chairman: National Technical Committee
